ORGANISERS PROFILE

Synergy Exposures & Events India Pvt. Ltd carries over a decade of expertise in organizing Trade Fairs and Conferences, specializing in successful B2B events across various sectors including Automation, Hospitality, Bakery, Confectionery, Sweet & Snack, Food Processing, Food Packaging, Dairy, and HoReCa.

The expos consistently draw high-quality exhibitors and visitors from around the world, facilitating valuable face-to-face interactions for business matching and networking. Recognized as industry leaders, our fairs serve as catalysts for innovation, fostering the birth of new ideas, ventures, and business opportunities. Notable events like Bakers Technology Fair and India HoReCa Expo highlight our commitment to excellence in Food and Hotel events, while specialized expositions like Food & Drink Process Expo and India Food Pack Expo cater specifically to the F&B manufacturing industry, further solidifying our reputation as a premier event organizer.
